Hagahani tixraaca ah waxaa loogu talagalay in waalidiinta, daryeelayaasha, barayaasha, iyo kuwa kale ee saameynta leh lagu siiyo dareen wanaagsan oo ku saabsan sida sawirada emojiyada loo isticmaalo marka lala xiriirinayo daroogada sharci darrada ah. Kiniinada dhakhtarku qoro oo been abuur ah, oo badanaa lagu daray fentanyl iyo methamphetamine dilaa ah, ayaa inta badan lagu iibiyaa baraha bulshada iyo goobaha ganacsiga ee onlaynka ah — taasoo ka dhigaysa mid ay heli karaan qofkasta oo haysta taleefoon casri ah.
